Energy class - (EU) 2019/2015	E	Luminous flux (lumen) [lm]	3600
Surface color	White	Supply voltage	230V
Binding type	Moveable	Shape	Rectangular
Mounting method	Mounting brackets	Water Protection class	IP65
Certificates	CE, RoHS	Gwarancja	5

PRODUCT DESCRIPTION

LED floodlight in color white recognized on the lighting market Ledvance is a modern lighting that features a very good quality of emitted light, high durability, resistance to severe weather conditions and mechanical damage. Compact dimensions and low weight allow easy installation in the place of old, worn and direct traditional halogens. In addition, the floodlight ensures energy saving up to 90% (compared to the hollow lamps with halogen lamps).
