PRODUCT DESCRIPTION

LED night lighting is a LUNETTA Slim lamp made of high quality plastic by Ledvance , in the color white, which is characterized by a nice design and high functionality, connected directly to the 220 ... 240 V AC power supply. The lamp has a built-in day / night light sensor, thanks to which it automatically turns on and off depending on the amount of daylight available. The bedside lamp presented by us provides us safety in the dark.
